New Visions Announces Its New Retail Website

Syracuse, N.Y. (October 24, 2008) New Visions PLC, Inc. a provider of affordable high-speed broadband solutions, today announced that it has introduced its new website www.blinkusa.com.

New Visions President Carmen N. Branca, Jr. added, "Our blinkusa website will make it easier for our customers to order our services and manage their account. With the introduction of our highly successful high-speed broadband and telephone service earlier this year, our customers will now be able to manage their account online. This website will be the gateway for many new exciting features and special offerings we plan on introducing in the future."

In addition to this website, our corporate website will remain as www.nvplc.com. Both sites will be linked for your convenience when switching from one site to another.

About New Visions Powerline Communications, Inc.
